About LIBA, India

Loyola Institute of Business Administration (LIBA) is a premier B-school, established in 1979 within the premises of Loyola College, to form competent and committed leaders who are ethical, principle-centred and socially responsible with a global perspective and entrepreneurial spirit. LIBA is managed by Jesuits of the Loyola College Society well-known for their outstanding contribution to higher education. LIBA stands for Excellence with Ethics which are the hallmarks of Jesuit business education and all its programmes and activities embody these two elements. LIBA earnestly strives to inculcate in the students the values of excellence, justice, honesty and service to the society.

LIBA primarily offers a two-year Full-time PGDM course, approved by AICTE and recognized by AIU. It also offers other programmes: Part-time PGDM (AICTE approved), Ph.D. (affiliated to the University of Madras) and one - year executive diploma programmes. The Management Development Centre offers various customised programmes (short-term and long-term) with a focus on skill development. LIBA concentrates on the holistic formation of students in all aspects viz., intellectual, social, emotional and spiritual. The Institution works with an undeterred zeal to offer its students the best education, blending classroom and experiential learning.

About Binary University, Malaysia

Established in 1984, Binary University is rated as a 5 STAR (Excellent) University by the Ministry of Higher Education, Malaysia. The University is a specialist university for Management, IT and Entrepreneurship. It is the ONLY University that produces a unique breed of graduates called Industry Specialist Professional (ISP) graduates who are equipped with industry - specific skills. This is why Binary University enjoys one of the highest graduate employability among all universities in Malaysia, i.e.: rate of 96% (Source: Tracer Study, MOE). In addition to this, all of its graduates are provided with extensive entrepreneurial skills to enable them to climb the corporate ladder faster.

Binary offers PhDs, Doctorate, Masters as well as Bachelor degree programmes and is patronized by international students from over 60 countries. Binary degrees are also being offered in Europe, Africa, Middle East, the Indian Sub Continent and Central Asia. The university is supported by 5 dedicated research centres in social entrepreneurship, business entrepreneurship, women leadership, ICT and advanced management. The university also produces a peer reviewed journal called the International Journal of Management and Entrepreneurship (IJME) which is subscribed internationally.

Binary University's green campus provides students a conducive environment to study within campus accommodation, wide choice of food and beverage outlets, shopping malls, clinics, entertainment centres and banks, all within walking distance from the university.
