A Jesuit Business School

CENTRE FOR LOGISTICS & SUPPLY CHAIN MANAGEMENT
POST GRADUATE PROGRAMME (PGP)
IN LOGISTICS

LOYOLA INSTITUTE OF BUSINESS ADMINISTRATION (LIBA)

Loyola College Campus | Chennai 600 034 | TN | India

Introduction

Rapid growth in organized retail, e-commerce, Direct Port Delivery (DPD), containerization, etc. is witnessed currently. Organized approaches towards transport and logistics activities fueled by the emergent global third-party logistics (3PL) players, the demand for trained employees with specific skill sets is expected to rise more than ever. On the other hand, with the growth in E-commerce, last mile delivery initiatives and start-ups in Logistics have become imperative. Further, Covid-19 fuels this growth of more innovative initiatives in technology enabled logistics services like Crowd Logistics and Aggregation start-ups opening the scope for future startups.

National Skill Development Corporation (NSDC) report states that, transportation, warehousing, and packaging related logistics sector currently employs over 16.74 million employees and by the year 2022 India will require around 28.4 million in workforce. The projected growth is due to a thrust on marquee projects – dedicated freight corridors, Delhi – Mumbai Industrial Corridor Project (DMIC), Jawaharlal Nehru Port (JNPT) container terminal, and inland waterways.

About the programme

This programme offers participants to gain contemporary knowledge and develop skills for a bright career in logistics industry. The curriculum combines the best of management concepts and principles in relevance to logistics and enables students to develop specific skill sets to excel in a diverse logistics sector. The programme is offered in collaboration with industry partner Kerry Indev Logistics, a big name in the Logistics Sector.

This PG programme is a well structured one comprising application-intensive (three) terms of course work followed by a three-month industrial internship, i.e., a 15-month curriculum equating to 53.5 credits developed and supported by an eminent Advisory Board which includes renowned industrial leaders, logistics professionals and academicians.

Schedule

The classes for this PG programme are scheduled from 5.00 pm to 8.15 pm on Fridays, and 9:30 am to 4:30 pm on Saturdays and Sundays. If required, classes would be scheduled on other weekdays also.
